

## HOTEL PET POLICY

It is the strict policy of this hotel property to have any guest bringing a pet that this form be signed and adhered to. If you are uncomfortable in signing this form, then we are sorry, but we will be unable to accommodate you during this stay. The only deviation from this policy will be for the benefit of a seeing eye dog.

The pet is to be properly controlled at all times while on hotel property. Please inform the front desk clerk about any possible conflict for when our housekeeping department needs to enter and clean your room. If the pet is to remain in the room during your absence, then the pet must be secured in a kennel or cage to ensure the safety of our employees, and for the well-being of the pet. Any contravention of applicable statutes, laws, or regulations respecting the welfare of animals will be reported to the proper authorities.

There is a pet fee of \$10.00 per night plus GST to be posted with your daily room charges.

As a registered guest, you are financially responsible for all damages caused by the pet, including lost potential hotel income. You are also responsible for any excessive or exceptional cleaning charges at the current hotel rates, including, but not limited to, pet odors and pet stains.

You will be given an opportunity to eliminate any noise complaint from other guests. In the event you are unable to satisfy this clause, you will be evicted and will be financially responsible for any and all costs associated with appeasing guest complaints.

I have read and I expressly agree to this hotel pet policy and its terms herein.
